

October 4, 2008

Dear EquipU Users,

We trust this newsletter will be a blessing to you as it highlights the latest happenings with the clubs curriculum and program. Whether you are operating a club or children's church program, using the curriculum as homeschool material, or simply curious about Kids 4 Truth; we are glad to serve you!

"Forum Post of the Month Contest" – For a limited time, we are still hosting the "Forum Post of the Month Contest." Each month, our staff will choose the most interesting, creative, or helpful forum post and award the winner a \$15 gift certificate for sharing his or her thoughts and ideas with everyone. Please visit and participate in our online forums at <http://equipu.kids4truth.com/forums/>! In order to give everyone a chance, each user can win only once every twelve months. This month our winner is Anne Shore for her post on Yearly Themes (<http://equipu.kids4truth.com/forums/t/847.aspx>). This is Anne's fourth year as director of the Kids 4 Truth club at Bible Baptist Church in Hudson, WI. Her idea encourages attendance, responsibility, and working on the curriculum at home.

Tracts and Bookmarks on sale from now until October 31! All tracts and bookmarks are 10% off! Check these deals out for yourself at <http://store.kids4truth.com/>! The Dynabox tracts are fun to give or receive around Halloween time. Assemble the tract into a box, and insert either a candy treat or some small prize. Giving Dynaboxes out at Halloween can be a unique, redemptive way to share the Gospel in your community.

Regional Training Events are being scheduled for the next twelve months. Kids 4 Truth does not charge a fee to churches to host a training day. We ask only for speakers' traveling and housing costs to be covered. The planning and cost for *extra aspects* of the event (*refreshments, promotion*) would be up to you. You are welcome to charge a fee to those who attend to help cover your costs of bringing in the speaker and any extras you may offer. We will provide you with a downloadable training manual and will post notice of your event on the EquipU site. If you are interested in hosting a Regional Training Event, please contact Marrena at the Kids 4 Truth office at marrena@kids4truth.com, or call 866-754-4272.

EquipU site – We have a couple updated resources that were recently added to the EquipU site:

- **Communication Flyers** (http://equipu.kids4truth.com/files/folders/communication_cards/entry6104.aspx) are now available for levels 2-4. These two-sided flyers tell parents "Where We Are" and "What We Will Do."
- **Discoverers – A Whole Other World!** and **Understanding the Discoverers TruthBooks** training PPT files (http://equipu.kids4truth.com/files/folders/powerpoint_presentations/default.aspx) are now available for those who would like more training for the Discoverers level.
- **Discoverers Wall Charts** – track the work that the Discoverers have memorized using our new Discoverers Wall Charts (http://equipu.kids4truth.com/files/folders/progress_charts/default.aspx).

New K4T promo idea – Spread the word about the clubs *via* K4T license plates! (<http://kids4truth.com/store/Kids-4-Truth-License-Plate-P657C0.aspx>) Many of us look for ways to promote K4T – both the clubs curriculum and the website – to others in our community. This can be done through many items including apparel, drink bottles, mugs, posters, and now...license plates! These license plates are great for those living in states which require only one plate on the car.

Clubs Blog – You are invited to bookmark the [Clubs Blog](#) for the latest ideas and info from the K4T team. During the month of September we spoke about advertising in your local newspaper and the new Discoverers Wall Charts.

Busy season – The months of July-October are the busiest months for our ministry. Many churches place their orders or call/email to set up a program during these months. We appreciate your patience as we work to get orders and answer phone calls and emails in a timely manner. Please remember that orders are processed on a first-come, first-served basis. We encourage you to get your orders in as soon as possible to avoid shipping delays. If you find our phone lines busy, please feel free to leave a phone message, use our chat system, or email your question. Our staff will be happy to answer as soon as possible.

Printable version of this Clubs eNewsletter – Please feel free to download, print and distribute Clubs eNewsletters to others at your church. PDFs are available at http://equipu.kids4truth.com/files/folders/clubs_ewnewsletters/default.aspx.

Thank you for considering our monthly updates and for helping us spread the word about Kids 4 Truth! May God continue to bless you with creative ideas and the daily strength you need for effective ministry to the children in your life.

Sincerely,
The Kids 4 Truth team
